Samriddhi Prathana

Every person wants to lead a prosperous life. Prosperous life means not only to be rich but to be wealthy in thoughts, words and deeds (positive and best). It is essential to possess good conduct and pure thought to earn wealth.

The shastras believe that the number 56 is very auspicious (56 types of bhog, 56 types of happiness, 56 crore bhat was given by Lord Krishna in the story of Nani Bhai ka mayra). The number 56 is lucky so in the samriddhi sadhana we chant Ram Ram 56.

While doing the samriddhi sadhana say your wish and

chant Ram Ram 56 -21 times.
If you repeat your wishes after
every Ram Ram 56, it is best
.This can be done during the
Navratri or you can do it for
